N-TRON 116TX FAMILY

16-PORT 10/100BASETX INDUSTRIAL ETHERNET SWITCH

This 16-port Ethernet switch from N-Tron has lots of valuable features, including:

Slim, space-saving design

Full IEEE 802.3 Compliance

Sixteen 10/100BaseTX RJ-45 Ports

Unmanaged Operation

Extended Environmental Specifica ions

-40° to 85°C Operating Temperature

>2M Hours MTBF

Supports Full/Half Duplex Operation

Up to 3.2 Gb/s Maximum Throughput

MDIX Auto Sensing Cable

Auto Sensing Speed and Flow Control

Full Wire Speed Communications

ESD Protection Diodes on RJ-45 Ports

Surge Protec ion Diodes on Power Inputs

Store-and-forward Technology

Redundant Power Inputs (10-49 VDC)

LED Link/Activity Status Indication

Rugged Metal DIN-Rail Enclosure

B+B SMARTWORX
Powered by **ADVANTECH**

**Please note our
new company name**

B&B Electronics has become B+B SmartWorx and we are now part of the Advantech family. advantech-bb.com will replace bb-elec.com in our email addresses going forward.

PRODUCTS

Ethernet Serial Device Servers
Ethernet Infrastructure
Serial Connectivity
Wireless and Cellular
USB Connectivity

SOLUTIONS

Industrial Automa ion
Energy & Natural Resources
Transportation
Enterprise IT
Transaction Management
Security
