|---------------------|-----------------------|
| Part Number:        | PAC50-BCB             |
| Manufacturer/Brand: | N/A                   |
| Product description | SEN PRESS -1 TO 1 BAR |
| Datasheets:         |                       |
| Stock Condition     | 523 pcs stock         |
| Ship From           | Hong Kong             |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS |

| DESCRIPTION                    | SEN PRESS -1 TO 1 BAR                                                                                           |
| LEAD FREE STATUS / ROHS STATUS |                                                                                                                 |
| QUANTITY AVAILABLE             | 523 pcs                                                                                                         |
| DATA SHEET                     |                                                                                                                 |
| VOLTAGE - SUPPLY               | 17 V ~ 30 V                                                                                                     |
| TERMINATION STYLE              | Connector                                                                                                       |
| SUPPLIER DEVICE PACKAGE        | -                                                                                                               |
| SERIES                         | -                                                                                                               |
| PRESSURE TYPE                  | Gauge                                                                                                           |
| PORT STYLE                     | Threaded                                                                                                        |
| PORT SIZE                      | Female - 1/4" (6.35mm) NPT                                                                                      |
| PACKAGE / CASE                 | Module                                                                                                          |
| OUTPUT TYPE                    | Analog Current/Voltage                                                                                          |
| OUTPUT                         | 0 V ~ 10 V, 4 ~ 20 mA                                                                                           |
| OTHER NAMES                    | 1062965                                                                                                         |
| OPERATING TEMPERATURE          | 0°C ~ 60°C                                                                                                      |
| OPERATING PRESSURE             | -14.5 ~ 14.5 PSI (-100 ~ 100 kPa)                                                                               |
| MAXIMUM PRESSURE               | -                                                                                                               |
| FEATURES                       | -                                                                                                               |
| DETAILED DESCRIPTION           | Pressure Sensor -14.5 ~ 14.5 PSI (-100 ~ 100 kPa) Gauge Female - 1/4" (6.35mm) NPT 0 V ~ 10 V, 4 ~ 20 mA Module |
| ACCURACY                       | ±1.5%                                                                                                           |
