

CES-0402MC

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | CES-0402MC                     |
| Manufacturer/Brand: | Copal Electronics              |
| Product description | SWITCH SLIDE DIP SPST 100MA 6V |
| Datasheets:         | CES-0402MC.pdf                 |
| RoHs Status         | Lead free / RoHS Compliant     |
| Stock Condition     | 55657 pcs stock                |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of CES-0402MC

| DESCRIPTION                      | SWITCH SLIDE DIP SPST 100MA 6V                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| QUANTITY AVAILABLE               | 55657 pcs                                                                    |
| DATA SHEET                       | CES-0402MC.pdf                                                               |
| WASHABLE                         | No                                                                           |
| VOLTAGE RATING                   | 6VDC                                                                         |
| TERMINATION STYLE                | PC Pin                                                                       |
| SERIES                           | CES                                                                          |
| PITCH                            | 0.100" (2.54mm), Full                                                        |
| PACKAGING                        | Tube                                                                         |
| OTHER NAMES                      | 563-1000-5<br>CES0402MC                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                 |
| NUMBER OF POSITIONS              | 4                                                                            |
| MOUNTING TYPE                    | Through Hole                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                |
| MECHANICAL LIFE                  | -                                                                            |
| LENGTH                           | 0.502" (12.74mm)                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| HEIGHT ABOVE BOARD               | 0.472" (12.00mm)                                                             |
| FEATURES                         | -                                                                            |
| ELECTRICAL LIFE                  | 1,000 Cycles                                                                 |
| DETAILED DESCRIPTION             | Dip Switch SPST 4 Position Through Hole Slide (Standard) Actuator 100mA 6VDC |
| CURRENT RATING                   | 100mA                                                                        |
| CONTACT MATERIAL                 | Copper Alloy                                                                 |
| CONTACT FINISH                   | Gold                                                                         |
| CIRCUIT                          | SPST                                                                         |
| BODY MATERIAL                    | Polyphenylene Sulfide (PPS)                                                  |
| ACTUATOR TYPE                    | Slide (Standard)                                                             |
| ACTUATOR LEVEL                   | Raised                                                                       |
