| QUANTITY AVAILABLE                | 4434 pcs                                                                                              |
| DATA SHEET                        |  EL5624IREZ-T7.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.5 V ~ 16.5 V, ±2.25 V ~ 8.25 V                                                                      |
| SUPPLIER DEVICE PACKAGE           | 20-HTSSOP                                                                                             |
| SLEW RATE                         | 15 V/μs                                                                                               |
| SERIES                            | -                                                                                                     |
| PACKAGING                         | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                    | 20-TSSOP (0.173", 4.40mm Width) Exposed Pad                                                           |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                          |
| NUMBER OF CIRCUITS                | 6                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| DETAILED DESCRIPTION              | Video Amp, 6 TFT-LCD Panels: Gamma Buffer, VCOM Driver 20-HTSSOP                                      |
| CURRENT - SUPPLY                  | 6.8mA                                                                                                 |
| CURRENT - OUTPUT / CHANNEL        | 140mA                                                                                                 |
| BASE PART NUMBER                  | EL5624                                                                                                |
| APPLICATIONS                      | TFT-LCD Panels: Gamma Buffer, VCOM Driver                                                             |
| -3DB BANDWIDTH                    | 12MHz                                                                                                 |
