

MAX2550ETN+T

|                      |                       |
|----------------------|-----------------------|
| Part Number:         | MAX2550ETN+T          |
| Manufacturer/Brand:  | Maxim Integrated      |
| Product description: | IC RF TXRX CELLULAR   |
| Datasheets:          | MAX2550ETN+T.pdf      |
| Stock Condition:     | 4033 pcs stock        |
| Ship From:           | Hong Kong             |
| Shipment Way:        | DHL/Fedex/TNT/UPS/EMS |

REQUEST FOR QUOTATION

Specifications of MAX2550ETN+T

|                                  |                                                                                    |

| PART NUMBER                      | MAX2550ETN+T                                                                       |
| MANUFACTURER                     | Maxim Integrated                                                                   |
| DESCRIPTION                      | IC RF TXRX CELLULAR                                                                |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                    |
| QUANTITY AVAILABLE               | 4033 pcs                                                                           |
| DATA SHEET                       | MAX2550ETN+T.pdf                                                                   |
| VOLTAGE - SUPPLY                 | 3.3V                                                                               |
| TYPE                             | TxRx + MCU                                                                         |
| SERIES                           | -                                                                                  |
| SERIAL INTERFACES                | SPI                                                                                |
| SENSITIVITY                      | -120dBm                                                                            |
| RF FAMILY/STANDARD               | Cellular                                                                           |
| PROTOCOL                         | GSM, HSPA+, WCDMA                                                                  |
| POWER - OUTPUT                   | -                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                   |
| PACKAGE / CASE                   | 56-WFQFN Exposed Pad                                                               |
| OTHER NAMES                      | MAX2550ETN+T -ND                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | Vendor Undefined                                                                   |
| MODULATION                       | -                                                                                  |
| MEMORY SIZE                      | -                                                                                  |
| FREQUENCY                        | 1.92GHz ~ 1.98GHz                                                                  |
| DETAILED DESCRIPTION             | IC RF TxRx + MCU Cellular GSM, HSPA+, WCDMA 1.92GHz ~ 1.98GHz 56-WFQFN Exposed Pad |
| DATA RATE (MAX)                  | -                                                                                  |
| CURRENT - TRANSMITTING           | 315mA                                                                              |
| CURRENT - RECEIVING              | 105mA                                                                              |
