

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number:NCV33074ADTBR2G

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC OPAMP GP 4.5MHZ 14TSSOP

Datasheets: NCV33074ADTBR2G.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:60313 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of NCV33074ADTBR2G

|                                   |                                                                                                         |
|-----------------------------------|---------------------------------------------------------------------------------------------------------|

| DATA SHEET                        |  NCV33074ADTBR2G.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 44 V, ±1.5 V ~ 22 V                                                                               |
| VOLTAGE - INPUT OFFSET            | 500µV                                                                                                   |
| SUPPLIER DEVICE PACKAGE           | 14-TSSOP                                                                                                |
| SLEW RATE                         | 13 V/µs                                                                                                 |
| SERIES                            | Automotive, AEC-Q100                                                                                    |
| PACKAGING                         | Cut Tape (CT)                                                                                           |
| PACKAGE / CASE                    | 14-TSSOP (0.173", 4.40mm Width)                                                                         |
| OUTPUT TYPE                       | -                                                                                                       |
| OTHER NAMES                       | NCV33074ADTBR2GOSCT                                                                                     |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                            |
| NUMBER OF CIRCUITS                | 4                                                                                                       |
| MOUNTING TYPE                     | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                              |
| GAIN BANDWIDTH PRODUCT            | 4.5MHz                                                                                                  |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit 14-TSSOP                                                            |
| CURRENT - SUPPLY                  | 1.9mA                                                                                                   |
| CURRENT - OUTPUT / CHANNEL        | 30mA                                                                                                    |
| CURRENT - INPUT BIAS              | 100nA                                                                                                   |
| BASE PART NUMBER                  | NCV33074                                                                                                |
| AMPLIFIER TYPE                    | General Purpose                                                                                         |
