

CDCM1804RTHR

|                     |                                    |
|---------------------|------------------------------------|
| Part Number:        | CDCM1804RTHR                       |
| Manufacturer/Brand: | N/A                                |
| Product description | IC CLK BUFFER 1:4 800MHZ 24VQFN    |
| Datasheets:         |                                    |
| RoHs Status         | Contains lead / RoHS non-compliant |
| Stock Condition     | 5415 pcs stock                     |
| Ship From           | Hong Kong                          |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS              |

REQUEST FOR QUOTATION

Specifications of CDCM1804RTHR

|                                  |                                                                                             |
|----------------------------------|---------------------------------------------------------------------------------------------|
| PART NUMBER                      | CDCM1804RTHR                                                                                |
| MANUFACTURER                     | N/A                                                                                         |
| DESCRIPTION                      | IC CLK BUFFER 1:4 800MHZ 24VQFN                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                          |
| QUANTITY AVAILABLE               | 5415 pcs                                                                                    |
| DATA SHEET                       |                                                                                             |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                 |
| TYPE                             | Fanout Buffer (Distribution), Divider, Multiplexer                                          |
| SUPPLIER DEVICE PACKAGE          | 24-VQFN-EP (4x4)                                                                            |
| SERIES                           | -                                                                                           |
| RATIO - INPUT:OUTPUT             | 1:4                                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                            |
| PACKAGE / CASE                   | 24-VFQFN Exposed Pad                                                                        |
| OUTPUT                           | LVC MOS, LVPECL                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                |
| NUMBER OF CIRCUITS               | 1                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                          |
| INPUT                            | CML, HSTL, LVDS, LVPECL, LVTTL, SSTL-2, VML                                                 |
| FREQUENCY - MAX                  | 800MHz                                                                                      |
| DIFFERENTIAL - INPUT:OUTPUT      | Yes/Yes                                                                                     |
| DETAILED DESCRIPTION             | Clock Fanout Buffer (Distribution), Divider, Multiplexer IC 1:4 800MHz 24-VFQFN Exposed Pad |
| BASE PART NUMBER                 | CDCM1804                                                                                    |
