### SST26VF032A-80-5I-S2AE

|                     |                                                                                                                              |
|---------------------|------------------------------------------------------------------------------------------------------------------------------|
| Part Number:        | SST26VF032A-80-5I-S2AE                                                                                                       |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                                |
| Product description | IC FLASH 32M SPI 80MHZ 8SOIC                                                                                                 |
| Datasheets:         |  <a href="#">SST26VF032A-80-5I-S2AE.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant                 |
| Stock Condition     | 3967 pcs stock                                                                                                               |
| Ship From           | Hong Kong                                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                        |

REQUEST FOR QUOTATION

#### Specifications of SST26VF032A-80-5I-S2AE

|                                  |                                                                                                                                |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | SST26VF032A-80-5I-S2AE                                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                                                  |
| DESCRIPTION                      | IC FLASH 32M SPI 80MHZ 8SOIC                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                     |
| QUANTITY AVAILABLE               | 3967 pcs                                                                                                                       |
| DATA SHEET                       |  <a href="#">SST26VF032A-80-5I-S2AE.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 1.5ms                                                                                                                          |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                                                  |
| TECHNOLOGY                       | FLASH                                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                                         |
| SERIES                           | SST26 SQI®                                                                                                                     |
| PACKAGING                        | Tube                                                                                                                           |
| PACKAGE / CASE                   | 8-SOIC (0.209", 5.30mm Width)                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                              |
| MOUNTING TYPE                    | Surface Mount                                                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                                  |
| MEMORY TYPE                      | Non-Volatile                                                                                                                   |
| MEMORY SIZE                      | 32Mb (4M x 8)                                                                                                                  |
| MEMORY INTERFACE                 | SPI - Quad I/O                                                                                                                 |
| MEMORY FORMAT                    | FLASH                                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                     |
| DETAILED DESCRIPTION             | FLASH Memory IC 32Mb (4M x 8) SPI - Quad I/O 80MHz 8-SOIC                                                                      |
| CLOCK FREQUENCY                  | 80MHz                                                                                                                          |
| BASE PART NUMBER                 | SST26VF032                                                                                                                     |
