### Specifications of EL5825ILZ-T7

|                                  |                                                                                                                      |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | EL5825ILZ-T7                                                                                                         |
| MANUFACTURER                     | Intersil                                                                                                             |
| DESCRIPTION                      | IC VREF GEN 8CH TFT-LCD 24-QFN                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| QUANTITY AVAILABLE               | 5443 pcs                                                                                                             |
| DATA SHEET                       |  <a href="#">EL5825ILZ-T7.pdf</a> |
| VOLTAGE - OUTPUT                 | 0.5 V ~ 14.95 V                                                                                                      |
| VOLTAGE - INPUT                  | 4.5 V ~ 16.5 V                                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 24-QFN (5x4)                                                                                                         |
| SERIES                           | -                                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                                     |
| PACKAGE / CASE                   | 24-VFQFN Exposed Pad                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                         |
| NUMBER OF OUTPUTS                | 8                                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| DETAILED DESCRIPTION             | - Converter, TFT LCD Voltage Regulator IC 8 Output 24-QFN (5x4)                                                      |
| BASE PART NUMBER                 | EL5825                                                                                                               |
| APPLICATIONS                     | Converter, TFT LCD                                                                                                   |
