

MZ2Q-FTZPS-KUB

|                     |                          |
|---------------------|--------------------------|
| Part Number:        | MZ2Q-FTZPS-KUB           |
| Manufacturer/Brand: | N/A                      |
| Product description | SENSOR LINEAR 50MM CABLE |
| Datasheets:         |                          |
| Stock Condition     | 545 pcs stock            |
| Ship From           | Hong Kong                |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS    |

REQUEST FOR QUOTATION

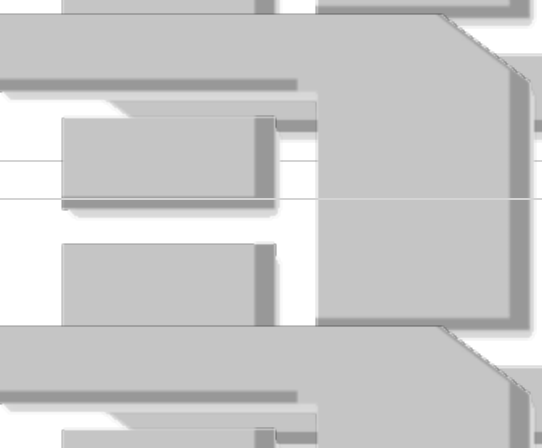

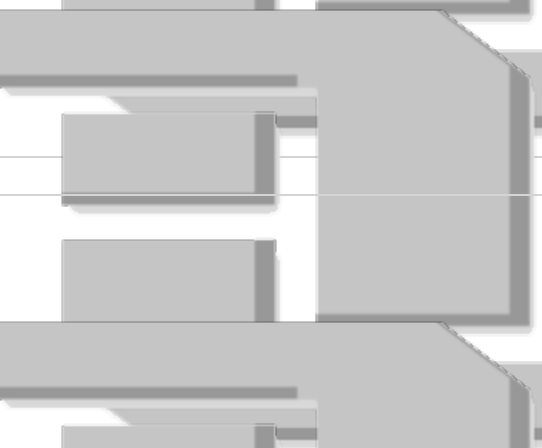

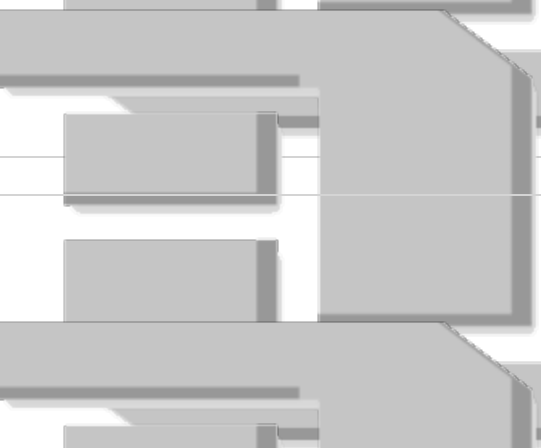

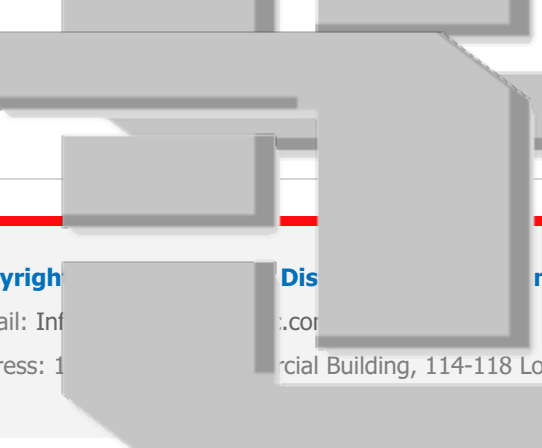

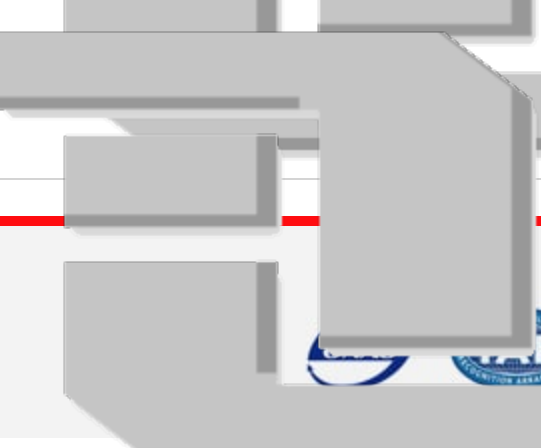

Specifications of MZ2Q-FTZPS-KUB

|                                         |                                                                                                      |
|-----------------------------------------|------------------------------------------------------------------------------------------------------|

| DESCRIPTION                             | SENSOR LINEAR 50MM CABLE                                                                             |
| LEAD FREE STATUS / ROHS STATUS          |                                                                                                      |
| QUANTITY AVAILABLE                      | 545 pcs                                                                                              |
| DATA SHEET                              |                                                                                                      |
| VOLTAGE - SUPPLY                        | 12 V ~ 30 V                                                                                          |
| TERMINATION STYLE                       | Cable                                                                                                |
| TECHNOLOGY                              | LVIT (Linear Variable Inductance Transducer)                                                         |
| SUPPLIER DEVICE PACKAGE                 | -                                                                                                    |
| SERIES                                  | -                                                                                                    |
| ROTATION ANGLE - ELECTRICAL, MECHANICAL | -                                                                                                    |
| RESISTANCE TOLERANCE                    | -                                                                                                    |
| PACKAGING                               | Bulk                                                                                                 |
| PACKAGE / CASE                          | Module                                                                                               |
| OUTPUT SIGNAL                           | -                                                                                                    |
| OUTPUT                                  | -                                                                                                    |
| OTHER NAMES                             | 1045267                                                                                              |
| OPERATING TEMPERATURE                   | -20°C ~ 75°C (TA)                                                                                    |
| MOUNTING TYPE                           | Chassis Mount                                                                                        |
| LINEARITY                               | -                                                                                                    |
| LINEAR RANGE                            | 0 ~ 50.00mm (0 ~ 1.97")                                                                              |
| FOR MEASURING                           | Linear Position                                                                                      |
| DETAILED DESCRIPTION                    | LVIT (Linear Variable Inductance Transducer) Sensor Linear Position Flexible Membrane - Linear Cable |
| ACTUATOR TYPE                           | Flexible Membrane - Linear                                                                           |
