### AT93C46A-10SU-1.8

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | AT93C46A-10SU-1.8                                                                                            |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC EEPROM 1K SPI 2MHZ 8SOIC                                                                                  |
| Datasheets:         |  AT93C46A-10SU-1.8.pdf      |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 3832 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

#### Specifications of AT93C46A-10SU-1.8

|                                  |                                                                                                           |
|----------------------------------|-----------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | AT93C46A-10SU-1.8                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                             |
| DESCRIPTION                      | IC EEPROM 1K SPI 2MHZ 8SOIC                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| QUANTITY AVAILABLE               | 3832 pcs                                                                                                  |
| DATA SHEET                       |  AT93C46A-10SU-1.8.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 10ms                                                                                                      |
| VOLTAGE - SUPPLY                 | 1.8 V ~ 5.5 V                                                                                             |
| TECHNOLOGY                       | EEPROM                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                    |
| SERIES                           | -                                                                                                         |
| PACKAGING                        | Tube                                                                                                      |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| MEMORY TYPE                      | Non-Volatile                                                                                              |
| MEMORY SIZE                      | 1Kb (128 x 8, 64 x 16)                                                                                    |
| MEMORY INTERFACE                 | SPI                                                                                                       |
| MEMORY FORMAT                    | EEPROM                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DETAILED DESCRIPTION             | EEPROM Memory IC 1Kb (128 x 8, 64 x 16) SPI 2MHz 8-SOIC                                                   |
| CLOCK FREQUENCY                  | 2MHz                                                                                                      |
| BASE PART NUMBER                 | AT93C46                                                                                                   |
