| PART NUMBER                      | BT730-SC                                                         |
| MANUFACTURER                     | Laird Technologies                                               |
| DESCRIPTION                      | RF TXRX MODULE BLUETOOTH U.FL                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| QUANTITY AVAILABLE               | 4230 pcs                                                         |
| DATA SHEET                       | <a href="#">1.BT730-SC.pdf</a><br><a href="#">2.BT730-SC.pdf</a> |
| VOLTAGE - SUPPLY                 | 3.3 V ~ 5 V                                                      |
| UTILIZED IC / PART               | BlueCore4                                                        |
| SERIES                           | -                                                                |
| SERIAL INTERFACES                | UART                                                             |
| SENSITIVITY                      | -87dBm                                                           |
| RF FAMILY/STANDARD               | Bluetooth                                                        |
| PROTOCOL                         | Bluetooth v2.0, Class 1                                          |
| POWER - OUTPUT                   | 18dBm                                                            |
| PACKAGING                        | Tray                                                             |
| PACKAGE / CASE                   | Module                                                           |
| OTHER NAMES                      | BT730-SC-01                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                     |
| MOUNTING TYPE                    | Surface Mount                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                    |
| MODULATION                       | -                                                                |
| MEMORY SIZE                      | -                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| FREQUENCY                        | 2.4GHz                                                           |
| DATA RATE                        | 2.1Mbps                                                          |
| CURRENT - TRANSMITTING           | 35mA                                                             |
| CURRENT - RECEIVING              | 35mA                                                             |
| ANTENNA TYPE                     | Not Included, U.FL                                               |
