| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                       |
| DESCRIPTION                      | IC REMOTE THERMAL CTRLR 16QSOP                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| QUANTITY AVAILABLE               | 3465 pcs                                                                                                   |
| DATA SHEET                       |  ADT7475ARQZ-REEL7.pdf  |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                                |
| TOPOLOGY                         | ADC, Comparator, Fan Speed Counter, Multiplexer, Register Bank                                             |
| SUPPLIER DEVICE PACKAGE          | 16-QSOP                                                                                                    |
| SERIES                           | dBCool®                                                                                                    |
| SENSOR TYPE                      | Internal and External                                                                                      |
| SENSING TEMPERATURE              | -40°C ~ 125°C, External Sensor                                                                             |
| PACKAGING                        | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                   | 16-SSOP (0.154", 3.90mm Width)                                                                             |
| OUTPUT TYPE                      | SMBus                                                                                                      |
| OUTPUT FAN                       | Yes                                                                                                        |
| OUTPUT ALARM                     | No                                                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                              |
| MOUNTING TYPE                    | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| FUNCTION                         | Fan Control, Temp Monitor                                                                                  |
| DETAILED DESCRIPTION             | Fan Control, Temp Monitor -40°C ~ 125°C, External Sensor Internal and External Sensor SMBus Output 16-QSOP |
| BASE PART NUMBER                 | ADT7475A                                                                                                   |
| ACCURACY                         | ±1.5°C(Max)                                                                                                |
