| PART NUMBER                      | E3T-SR34-M1TJ 0.3M                                                                 |
| MANUFACTURER                     | Omron Automation & Safety                                                          |
| DESCRIPTION                      | SENSOR RETROREFL 0.3M DK ON PNP                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| QUANTITY AVAILABLE               | 521 pcs                                                                            |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - SUPPLY                 | 12 V ~ 24 V                                                                        |
| SERIES                           | E3T                                                                                |
| SENSING METHOD                   | Retroreflective                                                                    |
| SENSING DISTANCE                 | 0.394" ~ 3.937" (10mm ~ 100mm) ADJ                                                 |
| RESPONSE TIME                    | 1ms                                                                                |
| OUTPUT CONFIGURATION             | PNP - Open Collector/Dark-ON                                                       |
| OTHER NAMES                      | E3T-SR34-M1TJ 0.3M-ND<br>E3T-SR34-M1TJ0.3M<br>E3T/SR34/M1TJ 0.3M<br>E3TSR34M1TJ03M |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                      |
| LIGHT SOURCE                     | Red (650nm)                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| INGRESS PROTECTION               | IEC IP67                                                                           |
| CONNECTION METHOD                | Connector                                                                          |
| ADJUSTMENT TYPE                  | -                                                                                  |
