

M2023TXW41-DH

|                     |                            |
|---------------------|----------------------------|
| Part Number:        | M2023TXW41-DH              |
| Manufacturer/Brand: | NKK Switches               |
| Product description | SWITCH ROCKER DPDT 6A 125V |
| Datasheets:         | M2023TXW41-DH.pdf          |
| RoHs Status         | Lead free / RoHS Compliant |
| Stock Condition     | 12287 pcs stock            |
| Ship From           | Hong Kong                  |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS      |

REQUEST FOR QUOTATION

Specifications of M2023TXW41-DH

| VOLTAGE RATING - DC              | 30V                                                                          |
| VOLTAGE RATING - AC              | 125V                                                                         |
| TERMINATION STYLE                | PC Pin                                                                       |
| SWITCH FUNCTION                  | On-Off-On                                                                    |
| SERIES                           | M                                                                            |
| PANEL CUTOUT DIMENSIONS          | -                                                                            |
| PACKAGING                        | Bulk                                                                         |
| OPERATING TEMPERATURE            | -30°C ~ 85°C                                                                 |
| MOUNTING TYPE                    | Through Hole, Right Angle, Vertical                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                |
| MECHANICAL LIFE                  | 50,000 Cycles                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| INGRESS PROTECTION               | -                                                                            |
| ILLUMINATION VOLTAGE (NOMINAL)   | -                                                                            |
| ILLUMINATION TYPE, COLOR         | -                                                                            |
| FEATURES                         | Epoxy Sealed Terminals                                                       |
| ELECTRICAL LIFE                  | 25,000 Cycles                                                                |
| DETAILED DESCRIPTION             | Rocker Switch DPDT 6A (AC), 3A (DC) 125V Through Hole, Right Angle, Vertical |
| CURRENT RATING                   | 6A (AC), 3A (DC)                                                             |
| COLOR - ACTUATOR/CAP             | Gray                                                                         |
| CIRCUIT                          | DPDT                                                                         |
| ACTUATOR TYPE                    | Concave (Standard V)                                                         |
| ACTUATOR MARKING                 | No Marking                                                                   |
