TXM-418-LR

|                     |                              |
|---------------------|------------------------------|
| Part Number:        | TXM-418-LR                   |
| Manufacturer/Brand: | Linx Technologies            |
| Product description | TRANSMITTER 418MHZ LR SERIES |
| Datasheets:         | 1.TXM-418-LR.pdf             |
|                     | 2.TXM-418-LR.pdf             |
|                     | 3.TXM-418-LR.pdf             |
| RoHs Status         | Lead free / RoHS Compliant   |
| Stock Condition     | 13689 pcs stock              |
| Ship From           | Hong Kong                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS        |

REQUEST FOR QUOTATION

| VOLTAGE - SUPPLY                 | 2.1 V ~ 3.6 V                                                                         |
| SERIES                           | LR                                                                                    |
| POWER - OUTPUT                   | -4dBm ~ 4dBm                                                                          |
| PACKAGING                        | Tube                                                                                  |
| PACKAGE / CASE                   | 8-SMD Module                                                                          |
| OTHER NAMES                      | TXM-418-LR_<br>TXM418LR                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                         |
| MODULATION OR PROTOCOL           | ASK, OOK                                                                              |
| MEMORY SIZE                      | -                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| FREQUENCY                        | 418MHz                                                                                |
| FEATURES                         | -                                                                                     |
| DETAILED DESCRIPTION             | RF Transmitter ASK, OOK 418MHz -4dBm ~ 4dBm 10 kbps Castellation Antenna 8-SMD Module |
| DATA RATE (MAX)                  | 10 kbps                                                                               |
| DATA INTERFACE                   | Serial                                                                                |
| CURRENT - TRANSMITTING           | 8.5mA                                                                                 |
| APPLICATIONS                     | Home/Industrial Automation, Lighting, Remote Control, RKE, Security                   |
| ANTENNA CONNECTOR                | Castellation                                                                          |
