HSCDLNN010ND2A3

Part Number:

Honeywell Sensing and Productivity Solutions

BRD MNT PRESSURE SENSORS

| VOLTAGE - SUPPLY                 | 3.27 V ~ 3.33 V                                                                                                                                                      |
| TERMINATION STYLE                | PC Pin                                                                                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 8-DIP                                                                                                                                                                |
| SERIES                           | TruStability® HSC                                                                                                                                                    |
| PRESSURE TYPE                    | Differential                                                                                                                                                         |
| PORT STYLE                       | Barbless                                                                                                                                                             |
| PORT SIZE                        | Male - 0.1" (2.47mm) Tube                                                                                                                                            |
| PACKAGE / CASE                   | 8-DIP (0.524", 13.30mm), Top Port                                                                                                                                    |
| OUTPUT TYPE                      | I²C                                                                                                                                                                  |
| OUTPUT                           | 12 b                                                                                                                                                                 |
| OPERATING TEMPERATURE            | -20°C ~ 85°C                                                                                                                                                         |
| OPERATING PRESSURE               | ±0.36 PSI (±2.49 kPa)                                                                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                                                        |
| MAXIMUM PRESSURE                 | ±10.84 PSI (±74.75 kPa)                                                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                                                           |
| FEATURES                         | Amplified Output, Temperature Compensated                                                                                                                            |
| DETAILED DESCRIPTION             | Pressure Sensor ±0.36 PSI (±2.49 kPa) Differential Male - 0.1" (2.47mm) Tube 12 b 8-DIP (0.524", 13.30mm), Top Port                                                  |
| ACCURACY                         | ±0.25%                                                                                                                                                               |
