| DATA SHEET                           |  ACMD-7606-TR1.pdf |
| SERIES                               | -                                                                                                     |
| RETURN LOSS (LOW BAND / HIGH BAND)   | 10dB / 10dB                                                                                           |
| PACKAGING                            | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                       | 8-VQFN Exposed Pad, CSP                                                                               |
| MOUNTING TYPE                        | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 3 (168 Hours)                                                                                         |
| LOW BAND ATTENUATION (MIN / MAX DB)  | 45.00dB / 55.00dB                                                                                     |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                            |
| HIGH BAND ATTENUATION (MIN / MAX DB) | 44.00dB / 56.00dB                                                                                     |
| FREQUENCY BANDS (LOW / HIGH)         | 880MHz ~ 915MHz / 925MHz ~ 960MHz                                                                     |
| DETAILED DESCRIPTION                 | RF Diplexor 880MHz ~ 915MHz / 925MHz ~ 960MHz 8-VQFN Exposed Pad, CSP                                 |
