| DESCRIPTION                       | 10 A SUPPLY, LOW IBIAS CURRENT,                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | RoHS Compliant                                                                                          |
| QUANTITY AVAILABLE                | 21044 pcs                                                                                               |
| DATA SHEET                        |  LTC2067HMS8#PBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 1.7 V ~ 5.25 V                                                                                          |
| VOLTAGE - INPUT OFFSET            | 1μV                                                                                                     |
| SUPPLIER DEVICE PACKAGE           | 8-MSOP                                                                                                  |
| SLEW RATE                         | 0.0175 V/μs                                                                                             |
| SERIES                            | -                                                                                                       |
| ROHS STATUS                       | RoHS Compliant                                                                                          |
| PACKAGE / CASE                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                  |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                            |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                           |
| NUMBER OF CIRCUITS                | 2                                                                                                       |
| MOUNTING TYPE                     | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                           |
| GAIN BANDWIDTH PRODUCT            | 100kHz                                                                                                  |
| DETAILED DESCRIPTION              | Zero-Drift Amplifier 2 Circuit Rail-to-Rail 8-MSOP                                                      |
| CURRENT - SUPPLY                  | 7.5μA                                                                                                   |
| CURRENT - INPUT BIAS              | 5pA                                                                                                     |
| AMPLIFIER TYPE                    | Zero-Drift                                                                                              |
