|                     |                                                                      |
|---------------------|----------------------------------------------------------------------|
| Part Number:        | 8275350000                                                           |
| Manufacturer/Brand: | Weidmuller                                                           |
| Product description | RELAY GEN PURPOSE SPDT 5A 24V                                        |
| Datasheets:         | <a href="#">1.8275350000.pdf</a><br><a href="#">2.8275350000.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant                                           |
| Stock Condition     | 6993 pcs stock                                                       |
| Ship From           | Hong Kong                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                |

| TURN ON VOLTAGE (MAX)          | -                                                                     |
| TURN OFF VOLTAGE (MIN)         | -                                                                     |
| TERMINATION STYLE              | Screw Terminal                                                        |
| SWITCHING VOLTAGE              | 250VAC - Max                                                          |
| SERIES                         | -                                                                     |
| RELEASE TIME                   | 6ms                                                                   |
| RELAY TYPE                     | General Purpose with Socket                                           |
| PACKAGING                      | Bulk                                                                  |
| OTHER NAMES                    | WRS1 24VDC SPDT                                                       |
| OPERATING TEMPERATURE          | -25°C ~ 50°C                                                          |
| OPERATE TIME                   | 7ms                                                                   |
| MOUNTING TYPE                  | DIN Rail                                                              |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                            |
| FEATURES                       | -                                                                     |
| DETAILED DESCRIPTION           | General Purpose with Socket Relay SPDT (1 Form C) 24VDC Coil DIN Rail |
| CONTACT RATING (CURRENT)       | 5A                                                                    |
| CONTACT MATERIAL               | Silver Alloy                                                          |
| CONTACT FORM                   | SPDT (1 Form C)                                                       |
| COIL VOLTAGE                   | 24VDC                                                                 |
| COIL TYPE                      | Non Latching                                                          |
| COIL POWER                     | 220 mW                                                                |
| COIL CURRENT                   | 9.0mA                                                                 |
