### TMA440-48LQI

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | TMA440-48LQI                                                                                                 |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC MCU TRUETOUCH                                                                                             |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 3332 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

#### Specifications of TMA440-48LQI

|                                  |                            |
|----------------------------------|----------------------------|
| PART NUMBER                      | TMA440-48LQI               |
| MANUFACTURER                     | Cypress Semiconductor      |
| DESCRIPTION                      | IC MCU TRUETOUCH           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant |
| QUANTITY AVAILABLE               | 3332 pcs                   |
| DATA SHEET                       |                            |
| VOLTAGE - SUPPLY (VCC/VDD)       | -                          |
| SUPPLIER DEVICE PACKAGE          | -                          |
| SPEED                            | -                          |
| SERIES                           | -                          |
| RAM SIZE                         | -                          |
| PROGRAM MEMORY TYPE              | -                          |
| PROGRAM MEMORY SIZE              | -                          |
| PERIPHERALS                      | -                          |
| PACKAGE / CASE                   | -                          |
| OSCILLATOR TYPE                  | -                          |
| OPERATING TEMPERATURE            | -                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant |
| EEPROM SIZE                      | -                          |
| DETAILED DESCRIPTION             | - Microcontroller IC       |
| DATA CONVERTERS                  | -                          |
| CORE SIZE                        | -                          |
| CORE PROCESSOR                   | -                          |
| CONNECTIVITY                     | -                          |
