#### Specifications of SN74LV393APWRG4

|                                  |                                                                  |
|----------------------------------|------------------------------------------------------------------|
| PART NUMBER                      | SN74LV393APWRG4                                                  |
| MANUFACTURER                     | N/A                                                              |
| DESCRIPTION                      | IC COUNTER BINARY 8BIT 14TSSOP                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| QUANTITY AVAILABLE               | 208730 pcs                                                       |
| DATA SHEET                       |                                                                  |
| VOLTAGE - SUPPLY                 | 2V ~ 5.5V                                                        |
| TRIGGER TYPE                     | Negative Edge                                                    |
| TIMING                           | -                                                                |
| SUPPLIER DEVICE PACKAGE          | 14-TSSOP                                                         |
| SERIES                           | 74LV                                                             |
| RESET                            | Asynchronous                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                 |
| PACKAGE / CASE                   | 14-TSSOP (0.173", 4.40mm Width)                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                     |
| NUMBER OF ELEMENTS               | 2                                                                |
| NUMBER OF BITS PER ELEMENT       | 4                                                                |
| MOUNTING TYPE                    | Surface Mount                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                    |
| LOGIC TYPE                       | Binary Counter                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DIRECTION                        | Up                                                               |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 2 Element 4 Bit Negative Edge 14-TSSOP |
| COUNT RATE                       | 70MHz                                                            |
| BASE PART NUMBER                 | 74LV393                                                          |
