Specifications of AD7575TCHIPS

|                                  |                                                     |
|----------------------------------|-----------------------------------------------------|
| PART NUMBER                      | AD7575TCHIPS                                        |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                          |
| DESCRIPTION                      | IC ADC 8BIT LC2MOS W/HOLD                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                  |
| QUANTITY AVAILABLE               | 4411 pcs                                            |
| DATA SHEET                       |                                                     |
| VOLTAGE - SUPPLY, DIGITAL        | 5V                                                  |
| VOLTAGE - SUPPLY, ANALOG         | 5V                                                  |
| SUPPLIER DEVICE PACKAGE          | Die                                                 |
| SERIES                           | -                                                   |
| SAMPLING RATE (PER SECOND)       | -                                                   |
| REFERENCE TYPE                   | External                                            |
| RATIO - S/H:ADC                  | 1:1                                                 |
| PACKAGING                        | Tray                                                |
| PACKAGE / CASE                   | Die                                                 |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                       |
| NUMBER OF INPUTS                 | 1                                                   |
| NUMBER OF BITS                   | 8                                                   |
| NUMBER OF A/D CONVERTERS         | 1                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                  |
| INPUT TYPE                       | Single Ended                                        |
| FEATURES                         | -                                                   |
| DETAILED DESCRIPTION             | 8 Bit Analog to Digital Converter 1 Input 1 SAR Die |
| DATA INTERFACE                   | Parallel                                            |
| CONFIGURATION                    | S/H-ADC                                             |
| BASE PART NUMBER                 | AD7575                                              |
| ARCHITECTURE                     | SAR                                                 |
