

DC-ME-Y413-LX

|                     |                              |
|---------------------|------------------------------|
| Part Number:        | DC-ME-Y413-LX                |
| Manufacturer/Brand: | Digi International           |
| Product description | ME 9210 16MB SDRAM 8MB FLASH |
| Datasheets:         | DC-ME-Y413-LX.pdf            |
| RoHs Status         | Lead free / RoHS Compliant   |
| Stock Condition     | 1624 pcs stock               |
| Ship From           | Hong Kong                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS        |

REQUEST FOR QUOTATION

Specifications of DC-ME-Y413-LX

|                                  |                                                                    |

| MANUFACTURER                     | Digi International                                                 |
| DESCRIPTION                      | ME 9210 16MB SDRAM 8MB FLASH                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                         |
| QUANTITY AVAILABLE               | 1624 pcs                                                           |
| DATA SHEET                       | DC-ME-Y413-LX.pdf                                                  |
| SPEED                            | 75MHz                                                              |
| SIZE / DIMENSION                 | 1.45" x 0.75" (36.7mm x 19.1mm)                                    |
| SERIES                           | Digi Connect ME®                                                   |
| RAM SIZE                         | 16MB                                                               |
| OTHER NAMES                      | 602-1663<br>DC-ME-Y413-LX-ND                                       |
| OPERATING TEMPERATURE            | -40°C ~ 80°C                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                      |
| MODULE/BOARD TYPE                | MPU Core                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                         |
| FLASH SIZE                       | 8MB                                                                |
| DETAILED DESCRIPTION             | Digi Connect ME® Embedded Module ARM926EJ-S, NS9210 75MHz 16MB 8MB |
| CORE PROCESSOR                   | ARM926EJ-S, NS9210                                                 |
| CONNECTOR TYPE                   | RJ45                                                               |
| CO-PROCESSOR                     | -                                                                  |
