

NXP Semiconductors / Freescale

NT2H1611G0DA8J

|                     |                                  |
|---------------------|----------------------------------|
| Part Number:        | NT2H1611G0DA8J                   |
| Manufacturer/Brand: | NXP Semiconductors / Freescale   |
| Product description | NFC FORUM TYPE 2 TAG COMPLIANT I |
| Datasheets:         |                                  |
| Stock Condition     | 365916 pcs stock                 |
| Ship From           | Hong Kong                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS            |

REQUEST FOR QUOTATION

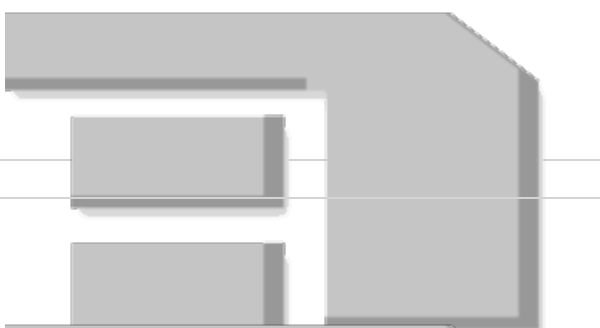

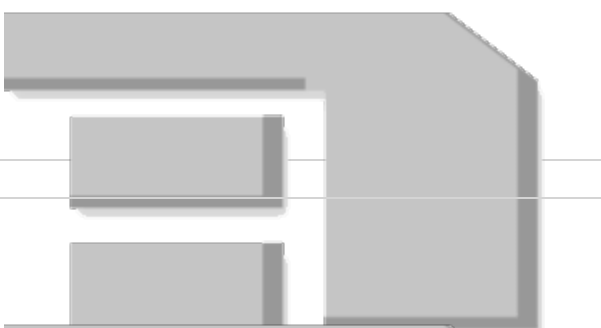

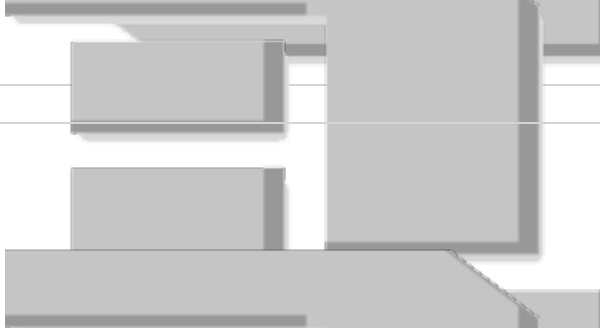

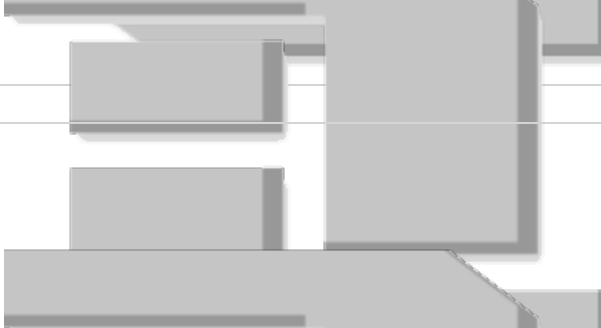

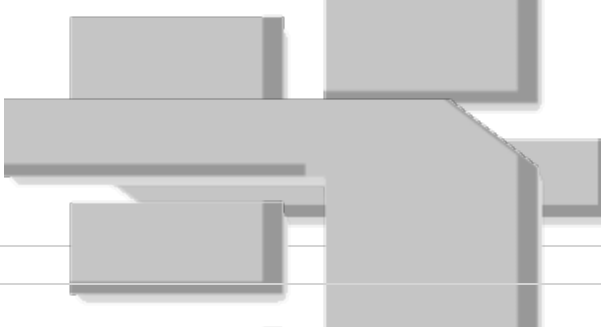

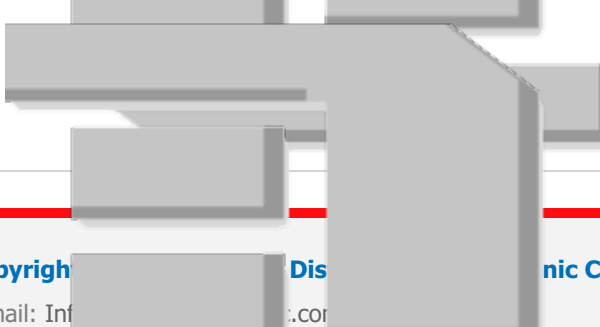

Specifications of NT2H1611G0DA8J

|                                |                                                                            |
|--------------------------------|----------------------------------------------------------------------------|
| PART NUMBER                    | NT2H1611G0DA8J                                                             |
| MANUFACTURER                   | NXP Semiconductors / Freescale                                             |
| DESCRIPTION                    | NFC FORUM TYPE 2 TAG COMPLIANT I                                           |
| LEAD FREE STATUS / ROHS STATUS |                                                                            |
| QUANTITY AVAILABLE             | 365916 pcs                                                                 |
| DATA SHEET                     |                                                                            |
| VOLTAGE - SUPPLY               | -                                                                          |
| TYPE                           | RFID Reader/Transponder                                                    |
| SUPPLIER DEVICE PACKAGE        | PLLMC                                                                      |
| STANDARDS                      | ISO 14443, NFC                                                             |
| SERIES                         | -                                                                          |
| PACKAGE / CASE                 | MOA8, Smart Card Module                                                    |
| OTHER NAMES                    | 935304626118                                                               |
| OPERATING TEMPERATURE          | -25°C ~ 70°C (TA)                                                          |
| INTERFACE                      | -                                                                          |
| FREQUENCY                      | 13.56MHz                                                                   |
| DETAILED DESCRIPTION           | RFID Reader/Transponder IC 13.56MHz ISO 14443, NFC MOA8, Smart Card Module |
