MGA-43024-TR1G

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MGA-43024-TR1G                                                                                               |
| Manufacturer/Brand: | Avago Technologies (Broadcom Limited)                                                                        |
| Product description | IC RF AMP WLAN 2.4GHZ 28MCOB                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 6507 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of MGA-43024-TR1G

|                                  |                                                      |
|----------------------------------|------------------------------------------------------|
| PART NUMBER                      | MGA-43024-TR1G                                       |
| MANUFACTURER                     | Avago Technologies (Broadcom Limited)                |
| DESCRIPTION                      | IC RF AMP WLAN 2.4GHZ 28MCOB                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                           |
| QUANTITY AVAILABLE               | 6507 pcs                                             |
| DATA SHEET                       |                                                      |
| VOLTAGE - SUPPLY                 | 5V                                                   |
| TEST FREQUENCY                   | 2.4GHz                                               |
| SUPPLIER DEVICE PACKAGE          | 28-MCOB (5x5)                                        |
| SERIES                           | -                                                    |
| RF TYPE                          | WLAN                                                 |
| PACKAGING                        | Tape & Reel (TR)                                     |
| PACKAGE / CASE                   | 28-VFQFN Exposed Pad                                 |
| P1DB                             | 36dBm                                                |
| NOISE FIGURE                     | -                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                           |
| GAIN                             | 40dB                                                 |
| FREQUENCY                        | 2.4GHz ~ 2.484GHz                                    |
| DETAILED DESCRIPTION             | RF Amplifier IC WLAN 2.4GHz ~ 2.484GHz 28-MCOB (5x5) |
| CURRENT - SUPPLY                 | 700mA                                                |
